

Withdrawal of article entitled "Nephroprotective and antioxidant effects of aqueous extract of *Amblygonocarpus andongensis* (Fabaceae) stem bark on acute kidney injury induced by unilateral ureteral obstruction in Wistar rats"

Dear Editor,

I am Dr Baponwa Odile, corresponding author of the manuscript entitled "Nephroprotective and antioxidant effects of aqueous extract of *Amblygonocarpus andongensis* (Fabaceae) stem bark on acute kidney injury induced by unilateral ureteral obstruction in Wistar rats" submitted to your journal on October 15, 2024. I have written to you several times to find out what action has been taken on our draft article, but unfortunately I have received no reply from you. In view of the passage of time and the fact that I don't know who to contact, I hereby formally withdraw our manuscript from your journal.

Best regards,
